The Noteables: Harvard`s Broadway Beat was founded in 1990 on the belief that dedication and enthusiasm are the only requirements for the enjoyment and performance of vocal music. Now over a decade and a half later, we remain a highly energetic group of students who dedicate ourselves to musical excellence. We welcome anyone with an interest in Broadway and musical cinema, as - in lieu of auditions - only devotion, passion for the music, and, on occasion, a sense of humor are necessary to perform with us. We thank you for your support of our work, and we hope that you enjoy the show!
