The Noteables: Harvard`s Broadway Beat
is a non-audition Broadway show choir founded in 1990. We believe that anyone can sing, regardless of musical background. It is always a unique and wonderful experience being a part of this group. Over the years, members have come and gone, but the spirit of the group has remained the same. It's always a collection of wonderful people, doing what they love, and who work incredibly hard to put on a great concert! Thank you so much for sharing this experience with us and we really hope you enjoy the show!
