FALL 2017 SCRIPT

UNTITLED

10 Life's a Happy Song

Jen: Wow, we sure are happy and contented with our life here at Harvard!
Alex: Yep! Everything right in front of us. What more could you possibly want?
Jhanelle (has to be Jhanelle since she's not in Muppets): You mean you *don't* want to explore the world?
Claire: Well, now that you mention it, maybe there *is* more to life than university living
Quinn: Yeah, maybe we should seek out some transformative experiences.
Laura: Are you thinking what I'm thinking?
All: GAP YEAR!
Michael and Raissa: Next stop: Hollywood!

20 City of Stars

Hae-in: Wow, what an adventure all of this travel is!
Claire: Yeah, LA is so beautiful this time of year
Alex: Where to next?
Laura: Who knows? The world is our oyster!

30 Jet Set

Michael: Travel sure is exciting!
Laura: And the best part of being on your gap year is talking about it all the time!
Claire: Guys, where are we going to go next?
Alex: I heard there's this one city that's entirely GREEN! Let's check it out!

40 One Short Day

Adam: After seeing the world, I can't help feeling as though something has changed within me.
Rachel: I agree, something is not the same
Kristen: I feel…
Jen: Like defying gravity?
Kristen: Ha, no! Not for the life of me!

50 Not for the Life of Me

Amy: You know what the best part of traveling the world is? Learning new things!
Quinn: You're right! I've become so cultured and knowledgeable on this trip.
Lily: What's the coolest thing you learned on your gap year?
Caroline: Well, it's hard to say, because it was all *SOOO* significant
Jen: But I guess I could give you a little demonstration?

60 Bend and Snap

Cassia: Guys, I can't believe I'm saying this, but I'm almost starting to miss Harvard
Natalie: Wow, I know what you mean.
Jesse: I have a lot of feelings about this.

70 I'd Give it all for You

Raissa: This has been a truly extraordinary journey
Alex: But I think it's time to go home

80 You Will Be Found

Intermission

100 Be Our Guest

Roberto: We're back at Harvard, and everyone is so welcoming!
Jhanelle: It's so exciting to see so much happening on campus!
Kristen: And house renewal has made these dining halls incredible!
Laura: And no more swai!

110 Some Things are Meant to Be

Alex: Being back at Harvard sure feels great
Quinn: But not for long
Alex: What do you mean?
Claire: Well, the semester's starting up again. And you know what that means:
Quinn & Claire: Recruiting season.
Alex: What's that?
Rachel: Silly freshman, don't you know? It's the time of year where Harvard students auction off their morals to Fortune 500 companies for vast swaths of money!
Michael: But you have to work hard for it. One does not simply walk into a Big 3 firm.
Lily: You have to be ambitious.
Natalie: You have to be...prepared.

120 Be Prepared

Roberto: Midterm season is tough.
Adam: I feel you. So many psets, so many papers--it's like I don't even know where to begin.
Amy: Well, when I get stressed, I like to think about things that make me happy.
Ade: Like what?
Amy again: Like rainbows! (please can this be Amy Donna)

130 Somewhere Over the Rainbow

Amy:That was nice. I feel so happy thinking about rainbows.
Ade: Yeah, but not everyone can be as calm as you are.
Hae-in: Tensions are running high
Caroline: Just try be nice. Remember, people before psets.
Cassia: Easy for you to say...

140 Confrontation

Cassia: I've got 3 whole psets due this week! Seriously, who does that?
Lily: Well, I've got three psets AND a paper!
Adam: I'm so jealous. I have two papers and an exam!
Raissa: Oh yeah, well I have three exams, two interviews, and a pset!

150 Hard to Be the Bard

Jhanelle: Man, I miss my gap year
Natalie: Me too
Rachel: Me three!
Michael: I know, it's so sad to leave it behind. But think of how much we've learned and grown.
Jesse: Yeah, yeah, learning and growing doesn't get my homework done.

160 Michael's Solo

Cassia: You know what, guys? We came back after our gap year because we belong here
Hae-in: Yeah, this is our place, and these are our people
Laura: And this is our swai

170 Corner

Raissa: I'm so happy we went on this journey together!
Caroline: Agreed! And I'm so glad I'll always have you guys to talk about my gap years with!

180 I Got You
