The Noteables: Harvard`s Broadway Beat

We're a non-audition Broadway show choir founded in 1990. We believe that anyone can sing, regardless of musical background.It's such a unique and wonderful experience to be part of this group. Over the years, members have come and gone, but the spirit of the group has remained the same. It's always a collection of wonderful people, doing what they love, and who work incredibly hard to put on a great concert! Thank you so much for sharing this experience with us and we really hope you enjoy the show!

How to join the Noteables

If you have enjoyed the concert, please consider becoming a Noteable next semester. Every student is welcome, no matter their experience with singing or dancing, and we only meet twice a week. If you would like to learn more about our group, check out our Facebook page or sign up for our mailing list (note@hcs.harvard.edu) to be notified about our first open rehearsals of the semester.
