    a) **MC:** Isn't middle school just the worst
    b) **X1:** Yeah, I just found out that apparently writing a 20-page thesis on Keynesian economics does not qualify me for a multi-million consulting job
    c) **X2:** Well, It's not as bad as your attitude! If you want some pragmatic philosophy from a precocious prodigal *cough legacy cough*, just dance through it all and pray that the money holds out.
3) Dancing Through Life (Characters to sign up for: MCF,Edgyboi,MC,X)
    a) **MCF:** So our young protag was able to swing their way through middle school, but high school proved to be an entirely different tango

    c) **MC, disgusted:** You don't even go here.
    d) **X:** Don't worry so much! Sadness is so '87.

    a) **X:** High school's really getting me down.
    b) **MCF:** But that's ok, because believe it or not, these aren't your golden years.
    c) **X, ignoring MCF, brightening up:** But on the plus side, we have youth and no responsibility!
    d) **X:** Also, hormones and a confusing change of social roles and a burning desire to undo everything adults have done so far.
    e) **MCF:** Chill, man, just be seventeen
5) Seventeen (Characters to sign up for: X, MC)
    a) **X:** So, I broke up with my boyfriend to focus on my college apps.
    b) **MC:** That's not very cash money of you. Where are you applying to?
    c) **X:** Santa Fe University. It's kind of like Harvard, but with an actual party scene
6) Santa Fe (Characters to sign up for: MC, MCF)
    a) **MC, obviously distressed w/ rejection letter:** Aw beans! Santa Fe was my dream school! Why couldn't I get to go to my dream school?! Curse these admission quotas!

    c) **MC:** …who are you?
    d) **MCF:** Me? I'm the narrator
    e) **MC:** The what?
    f) **MCF:** Nevermind. Think of me as an invested party. Now, things might seem bad, but listen close, and I'll tell you how to turn it all around.
7) Rhythm of Life (Characters to sign up for: MC, Love interest)
    a) **MC:** Wow, what that stranger said made no sense whatsoever, but it sure makes me feel good (which means it must be right)! Maybe a positive attitude does solve everything...

   b) **MCF:** And so our hero found his perfect match.

   d) **Love Interest 1:** Who are you talking to?
   e) **MCF:** Just live in the moment, can'tcha? Anything can happen when you believe! I KNOW these things.
9) When you believe (Characters to sign up for: MCF,MC)
   a) **MCF:** Even though the protagonist got rejected by his/her top college, s/he knew that didn't define who he/she was
