THE NOTEABLES

FALL 2020 SCRIPT

UNTITLED

Script

*Start by screen sharing program
Everyone have character names except Jen
Have only Jen on screen

Jen: Hello and welcome to the Noteables fall 2020 concert! My name is Jen and I'm the president of the Noteables, and we are so excited to be here with you all today! The Noteables is a non audition show choir founded here at Harvard in 1990 on the belief that anyone who wants the opportunity to sing should have a place to do so. And with that please enjoy the show! But remember, while the script is fake, the venmo is real...

*Change Jen name to Chris, spin in chair

On tonight's episode of Noteables Bachelorette, we follow Raissa as she searches for love in an incredibly inefficient manner. We had to delay filming of this season due to the pandemic, but our bachelorette has been patiently waiting in quarantine; let's meet her now.

*MUTE WHEN VIDEO IS ON
I KNOW IT'S TODAY
*Spotlight Jen
Jen: Now let's meet our contestants, who have been waiting months to meet this season's Bachelorette.

*Spotlight Vivian

Vivian: Hi, my name is Chad, short for Chaddeus. I'm 32, I'm a spin cycle instructor and part-time butterfly collector from Tampa. When I'm not shotgunning beers, I like lifting and eating acai bowls. Hope you're colorblind because I'm just one big walking red flag ;)

*Spotlight Tyler

Tyler: My name is Brad, short for Bradley. I'm 27, I'm a consultant for the dairy industry from San Diego. If you got the squirts, I'm your guy ;). When I'm not giving advice to Kraft, I'm crafting up ways to please you babygirl. I'm either too cheap to buy a laptop that supports having zoom backgrounds, or I'm too dumb to figure out how to change it,,, but that's for me to know, and you to find out.

*Spotlight Jena

Jena: yo what's up I'm Thahdhdh, short for Thaddy Hermione Granger Jones. I'm a pro-gambler, I am 21 years young and I'm from the best city in the world: Des Moines, Iowa. I'm hoping that luck be a lady tonight, if you catch my drift ;). May my odds be ever in your favor.

THE ONE
*Spotlight Jen
Jen: okay audience! Now's your time to decide who Raissa will give the first impression rose to. Venmo an amount to our venmo and in the description, put your favorite ship! @HarvardNoteables (venmo)

Jen: *after a pause* oh..this is surprising...this wasn't planned, and I just gotta say I do not understand- you guys voted and we heard you! There's a tie for fave ship? And neither include raissa?! Stay tuned *nervous chuckle*

*Spotlight vivian

Chad: Yeah, like the Bachelorette is super cool, but I think the other guys are dope. There's this one guy *blushes* Thad uwu owo

*Add Tyler

Brad: no bro,,, *I* think Thad's a mega thottie,,, I can't believe you'd betray me like that... I thought you were bro…. Turns out you're just fam :'(

Chad: no….bro...I'd never let Thad get between us, bro. Thad's for the streets >:(

Brad: Bro (sniffs),,, bros before,,, um,,, other bros

Chad: Yeah bro deffo

GRANGER DANGER

*Everyone on screen

Raissa: Brad, I'm sorry, I don't have a rose for you tonight.

Thad: brads dump truck bottom was just too juicy for raissa. Double-cheeked up on a Thursday afternoon, sun's still out

Chad: Noooooooo!!!! Not my bro. Not my boy. They couldn't do my bro like that. I feel...so alone...so empty...we were gonna live and bro out together. You were never ever fam. Alway my best bro.

Brad: Bro,,, i mean best bro,,, that's so wholesome. I guess I'll see y'all around. I'm Audi Five.

Brad suddenly gets kidnapped in the zoom

IN THE BEDROOM DOWN THE HALL

*Jen and Raissa

Chris: Raissa, as the youngest bachelorette, tell me what's going through your head right now

Raissa: Well, Thad and Chad are both just really great guys, I'm feeling really indecisive, I feel like I don't know who I am anymore

I WISH I COULD GO BACK TO COLLEGE

*Everyone but Tyler

Raissa: I've decided who is the one for me *dramatic pause* Im gonna spell it backwards! D! A! H! .....C!

Thad: screams

Chad: Dope, I have complete confidence in the sustainability of this relationship

Thad gets zoom-napped

GETTING MARRIED TODAY
*Spotlight Raissa and Jen

Chris: Welcome to tonight's special episode of where are they now? Where we follow past Bachelors and Bachelorettes to see how true love has worked out.

Raissa: So it didn't work out with Chad. I know, I am just as surprised as you are that a reality TV show that you have to pay to be on didn't result in a healthy relationship based on mutual trust and respect.

Chris: So what are you doing now?

Raissa: Well, luckily Tinder still exists - for Chad, but I'm happily engaged to you Chris.

Chris: well, that's really great, Raissa.

Raissa: Yeah, I think I've finally found my *pause until jen has spotlighted everyone*

ALL: corner of the sky.

CORNER

*Allow attendees
*Everyone on screen waving/bowing/blowing kisses, accepting grammies

Jen: Thanks for watching! Stay safe!

The word ass in last years fall script (line 10) for those with sticks up their asses, sorry, sticks up their *butts*, about swearing in the script:
