The Noteables is a non-audition Broadway show choir founded in 1990. We believe that anyone can sing, regardless of musical background. Being a part of this group is such a unique and wonderful experience. Over the years, members have come and gone, but the spirit of the group has remained the same. It's always a collection of wonderful people doing what they love and working incredibly hard to put on a great concert! Thank you so much for sharing this experience with us, and we really hope you enjoy the show!
