New York New York

[Aaron Burr, Ferb, Phineas, & Candice enter stage]

Phineas: Hey Ferb! I know what we're going to do today! We're going trick-or-treating in the best place of them all!

Aaron Burr, Ferb, Phineas: (singing) New York, New York!

Candice (on phone): MOM!!! PHINEAS AND FERB ARE GOING TRICK-OR-TREATING!!!

Aaron Burr: I, Senator and Vice President Aaron Burr, will take care of them. After all, I'm a whole 266 years and 104 days older than they are!

Candice: You're SO gonna be busted when Mom finds out. (on phone): Mom! Phineas and Ferb are out past their bedtime!

Aaron Burr: But this is the city that never sleeps!

Candice: WELLLL we're from New Jersey.

Phineas: Everything's legal in New Jersey. So we can do what we like.

Candice: Well, you're not in New Jersey right now! If you're not back by 11pm sharp you're SO busted!

Busted

Phineas: Wow Aaron Burr, my sister is scary.

Aaron Burr: Yeah, probably the scariest thing we'll see tonight. We're totally not coming back by 11pm, right?

Ferb: Nah, 11pm is for babies. We're literally 13.

Aaron Burr: We're gonna go the distance guys. Starting with this house right here.

[Aaron Burr, Ferb, & Phineas knock on the door]

Phineas: Hello? Is anyone home?

[Catherine Howard enters]

Catherine: Hello?

Aaron Burr, Phineas, & Ferb: Trick or Treat!

Catherine: Oh...we don't have any candy. Sorry…?

Aaron Burr: Damn girl, not even a KitKat?

Catherine: My name is Catherine Howard, for your information, not “girl.”

Aaron Burr: Okay then, Catherine. Do you have anything else to offer us as tricks or treats?

Catherine: Um, we have this [Presents head (cabbage with wig)]

Ferb: OH MY GOD! IS THAT A DECAPITATED HEAD?

Aaron Burr: DID YOU KILL HER?!

Catherine: No, her husband did, of course. My husband? Our husband? Henry the Eighth.

Ferb: Why do you even have that?

Catherine: Well, it all starts with a little story.

Ex-Wives

[Aaron Burr, Ferb, & Phineas enter the scene running and out of breath]

Ferb: That was so informative but also incredibly terrifying.

Phineas: I’m so glad we ran out of there.

Ferb: But we’ve been running for so long I have no idea where we are now!

Aaron Burr: Are we…lost?

Phineas: *[Starts sobbing loudly]*

Aaron Burr: Oh my god…Candice is going to kill us.

Phineas: WE’RE ALL GOING TO DIE HERE.

Ferb: No we’re not! We just have to manifest it, we are NOT lost.

Aaron Burr: Ferb’s right Phineas, we gotta fake it til we make it. Smile more! Because (singing) We WILL be found tonight.

Found Tonight

Ferb: Alright guys, that was touching and all, we’re still lost. But whatever house or strife comes next, it CAN’T get any worse.

Phineas: Does anyone have ANY idea where we are going?

Ferb: Maybe we can take the A-train?

Phineas: That goes uptown, we want to go downtown!

Ferb: I say we go uptown!

Aaron Burr: Nawh, it's too quiet uptown. I say we go downtown - and being 266 years and 104 days older than both of you, I say I get the executive decision

Phineas and Ferb: Fine…

Ferb: Do either of you have anywhere in mind?

Phineas: How about 42nd Street?

Aaron Burr: Ugh, you guys need to keep up with the times, 42nd Street is soo last semester

Phineas: Fine then, Burr. Where do you suggest we go?

Aaron Burr: Just trust me! I know where I'm going!

Ferb: Maybe we should ask for directions?

Aaron Burr: In New York?? Do you WANT to out yourself as a tourist??

[Aaron Burr to an audience member: Are you a tourist?!]

[Phineas to an audience member: do you know the difference between Lowell Lecture Hall and Lowell house?!]

[Ferb to an audience member: Why is Quincy House not on Quincy Street??]

[15-20 seconds of them further walking around aimlessly, before they come to a stop and look excited]

Phineas: This next house looks pretty nice! I can definitely hear people partying in there.

Aaron Burr: Finally, a real party!

[Aaron Burr, Ferb, & Phineas knock on the door]

[Chad, Brad, and Thad immediately dance onto the stage]

Chad: Let's gooooooooo!

Brad: Go big or go home!

Thad: Play hard, party haaaaard!

Chad: Welcome to Phi Beta Kappa Alpha Omega Delta Phi, my dudes.

Brad: Welcome to the hottest ticket of the fall semester!

Ferb: Um, I thought that was the Notables concert??

[A couple of beats silence as bros look thoughtful, and nod their head slowly]

Aaron Burr & Phineas: Trick or Treat!

Brad: Oh.

Thad: Yikes…um, we don't have any candy…I think we just ran out actually. Brad poured all of it into the swimming pool.

Brad: ha ha, that was fun.

Phineas: Wait, you have a swimming pool?

Chad: One of the perks of living in New York bros!

Thad: Though it comes with a wicked high service charge

Brad: Nothing our alumni association won't cover though *[Brad swipes each shoulder twice after saying this]*

Ferb: Soooo, you don't have ANY candy?

Thad: *[Shakes head]* Nope.

Brad: BUT! We DO have prestige *[Flexes]*

Phineas: Can we eat that?

Ferb: We want candy.

Aaron Burr: You gotta have chocolate at least. Please.

Chad: Listen kids, we have something much better to offer you. Waaaay better than candy.

Phineas: Beers?

Aaron Burr: Drugs?

[A moment's silence, bros look shifty]

Ferb: A higher SAT score?!

Thad: Nope.

Chad: We're gonna teach you how to be-

Chad, Brad, & Thad: POPULAR!

Popular

[Phone ringing]

Aaron Burr: Hello? Oh hi! Yes, I'm out right now. Who am I with? Oh you know, Chad, Brad, Thad, Todd, Rod, uhh… Fantine, Jean-Valjean, Javert… Oh, Phineas and Ferb? No, they're not with me

Ferb: Hey! We're right here!

Phineas: Who are you talking to?

Aaron Burr: No that's definitely not them in the background! Hey, look I have to go, I'll see you around the block! *Goodbye! (Reference to solo next)*

[Aaron Burr runs off]

Ferb: The nerve of him! You are the worst, Burr

Phineas: I sure hope this acting out from Aaron Burr is part of a heartwarming redemption arc.

Felix solo

Phineas: You know what, we don't need Aaron Burr! Let's just go to the next house.

Ferb: For sure! Hopefully they ACTUALLY have candy this time.

[Ferb & Phineas knock on the door]

Phineas: Hello?

Ferb: Is anyone home?

[Leave a few seconds silence, then knock again. Wait a few seconds for no answer]

Phineas: Maybe they're sleeping?

Ferb: No way, it's Halloween! Maybe we just have to grab the candy ourselves. *[Opens door]*

Phineas: Ferb! You are literally breaking and entering right now. We're gonna get arrested!

Ferb: It's not our fault, they should have put the candy bowl outside!

[Ferb & Phineas start looking around]

Phineas: Woah…

Ferb: Is it just me, or is this way too big to be a house? I wonder how they ever got planning permission…

Phineas: The sky is green in here!

[A few seconds silence as they look in wonder around them]

Ferb: Well, we are definitely not in New York anymore

Phineas: You can say that again

Ferb: Well, we are definitely not in New York anymore

Ferb and Phineas: It's like a whole new world!

A Whole New World

Ferb: Wow, this place is amazing! Everything is so different and new.

Phineas: The flying cars and yellow brick road are a little strange but I have to agree.

Ferb: Maybe we can ride one!

Phineas: Oh wait, we don't have insurance. And we're only 13.

Ferb: Take this

Phineas: What is it?

Ferb: It's your new passport to a world of possibilities! Since we're now 21 (wink wink), we can ride any flying car we like! It will also get you in the Queen's Head, Felipe's and all of Boston's best bars and restaurants!

Phineas: Where in the world did you get this?

Ferb: I grabbed it from one of the frat dudes!

Phineas: But this is just one ID?

Ferb: It's not your ID, it's OUR ID, now. You and I are officially Chad Cornelius Avaric Bon Tenmeadows the 3rd!

Ferb: [gets in car, extends hand] Phineas, will you join on the adventure of a lifetime?

Phineas: Absolutely!

[Ferb & Phineas pretend to drive around. They swerve to avoid something coming in the other direction]

Ferb: Watch it Squirrel! We're driving here!

Phineas: That guy didn't even put on his blinkers!

[Ferb & Phineas continue to drive the car]

Ferb: Woah! *[swerves]*

[Ferb & Phineas yell as they crash the car & fall to the ground]

Ferb: I hope that tree is okay.

Phineas: Oh no, we don't have auto coverage! And my medical insurance is out of network here!

Ferb: Who cares about that, where are we now?

[enter Mr. Toto]

Mr. Toto: Greetings children.

Ferb: A random old man!

Mr. Toto: Did you crash that car?

Phineas: Um- maybe? We're just a little lost now.

Ferb: Whoever did crash that car, I hope they won't have to pay for the damages!

Mr. Toto: Don't be absurd, it's a public utility here!

Phineas: Where is 'here', exactly?

Mr. Toto: Why, the Emerald City!

Ferb & Phineas: The Emerald City?

Mr. Toto: Welcome! I can give you a tour - it should only take… one short day

One Short Day

————————————INTERMISSION————————————

Noteafamily

[Enter Aaron Burr, looking around & at his phone]

Aaron Burr: [phone calls] Where are you? I can't see you!

[Enter Alexander Hamilton]

Alexander Hamilton: [also on phone] What do you mean you can't see me? [I'm waving through a window!] I'm next to Balthazar, the omelet there is fantastic!

Aaron Burr: Oh it's you CatBoy42069! You look just like how I imagined from your avatar!

Alexander Hamilton: The name's Hamilton. Alexander Hamilton. I can't believe we're finally meeting after a year! Are you EarlyTaylorWasBetter22?

Aaron Burr: The name's Aaron Burr, sir. [finger guns with snaps]

[awkward silence]

Alexander Hamilton: Well, it's nice to no longer be on the outside looking in!

Thomas solo

[enter Phineas and Ferb]

Phineas: It's great here but I feel like we've been walking in circles. How do we leave?

Ferb: Leave? What do you mean leave?

Phineas: There's no way we can stay here, Ferb!

Ferb: What do you mean?! The public infrastructure is great here! Plus the real world is so awful.

Phineas: Awful?

Ferb: All everyone cares about is being popular. Look at Aaron Burr, he left us and he didn't even look back! We've been friends since Queen Elizabeth was around, literal diapers! And he still didn't care about us.

Phineas: I'm sure he's just confused. He'll never admit it, but he was crying when he had to go to high school without us.

Ferb: That's not an excuse! Plus, he's been planning to leave us behind since Spring.

Phineas: What? What are you talking about? Did you hit your head during the crash, bro?

Ferb: He's been hanging out with older kids and writing letters to his new boyfriend all summer. You and I are disposable trash! T R A S H: in case you can't spell. TRASH. Babies!

Phineas: I'm no baby! Maybe you are! Well, you can stay in your fantasy land and never grow up!

[Phineas walks off]

Ferb: Ugh, I've never been this angry before--what is this feeling?!

[Ferb walks off]

What is This Feeling

Alexander Hamilton: I'm so glad we're meeting now! We've been penpals for so long.

Aaron Burr: Yeah, it's nice uhmm talking to you in person heh without having to draft all my texts. [nervous laughter]

Alexander Hamilton: What?

Aaron Burr: Oh, nothing.

[Awkward pause]

Alexander Hamilton: Okaaay, so how are you liking New York so far?

Aaron Burr: Oh you know, well first I got down with the ladies… they were dead, but I still got their numbers?

Alexander Hamilton: Really?

Aaron Burr: Yeah, and then I went and met my pals at this HUGE frat party.

[More awkward silence]

Alexander Hamilton: That's nice…where are Ferb and Phineas? I thought you were hanging out with them tonight? I've heard so much about them and would love to meet them!

Aaron Burr: Oh, those guys? Nah, they're just some kids I babysit on weekends. You need to meet my other cooler friends, Chad, Brad and Thad!

[Chad, Brad, and Thad dance onto the stage]

Chad: Let's gooooooooo!

Brad: Go big or go home!

Thad: Play hard, party haaaaard!

Chad: So, I heard you guys write letters to each other?

Brad: Like the founding fathers?

Alexander Hamilton: It's a perfectly normal way of communicating with your friends!

Chad: Nah duuude, you gotta be in the moment.

Thad: Light and breezy

Alexander Hamilton: Ugh, what a couple of airheads!

Chad: Yo Aaron Burr, dude! I think your friend likes us!

Alexander Hamilton: Aaron Burr, who are these people?

Aaron Burr: We go way back…

Chad and Thad: Uh, we just met…

[Awkward silence for a beat]

Alexander Hamilton: Oh, so you made up your friends? I guess Jean Valjean is made up too?

Chad: Actually, he's real.

Aaron Burr: I can explain!

Alexander Hamilton: You're nothing but a liar!

Aaron Burr: How dare you?!

Alexander Hamilton: Also your letters have terrible form and too many cliches. You CLEARLY haven't put that much thought into your drafts!

[Aaron Burr & Alexander Hamilton march off in different directions]

Chad: This is worse than when Ned from the Try Guys cheated on Ariel!

Your Obedient Servant

SCENE: The kids are reflecting.

[Enter Aaron Burr & Ferb, they stand back to back]

Aaron Burr: I shouldn't have run away from my friends or fought with Alexander.

Ferb: I shouldn't have been so mean to Phineas, it's not their fault.

Aaron Burr & Ferb: I really need to find them and fix this!

Thu solo

[Enter Aaron Burr, Alexander Hamilton, Ferb, & Phineas, they are all on their phones, walking around - each person steps to the front for their lines]

Ferb: Phineas, I'm so sorry, you were right! I was being childish. Where are you?

[More wandering]

Aaron Burr: I'm sorry, Alexander! Please let me fix this!

[More wandering]

Alexander Hamilton: Aaron Burr, it's OK, I know this year has been hard for you! I'll come find you! Just stay away from the pizza rats!

[More wandering]

Phineas: I can't see you, Ferb! It feels like we're in a crowd of thousands!

A Crowd of Thousands

[Aaron Burr, Ferb, & Phineas walk on stage]

Ferb: I'm so glad I found you! *[hugs Phineas]*

Phineas: Me too!

Ferb: You're not a baby, you're the most mature 13-year old I've ever met.

Phineas: And you're not disposable trash, you shouldn't talk about yourself like that!

[Aaron Burr walks up to Ferb & Phineas]

Aaron Burr: Hey guys…

Ferb: Well look who it is.

Phineas: Why don't you go and find your NEW friends?

Aaron Burr: Hey, they're not so bad! A little vacuous, they should talk less, maybe smile a bit more, but once you get to know them, they're really sweet guys. And I've missed you both!

Phineas: Really?

Aaron Burr: Really

Phineas: Really?

Aaron Burr: Really

Phineas: … Really?

Aaron Burr: Really.

Ferb: Well that doesn't make up for you ditching us earlier. If you truly cared about us, you wouldn't have run off, and you wouldn't be hiding us from your penpal!

[Alexander Hamilton walks on stage]

Alexander Hamilton: Actually, he does care about you. He talks about you all the time!

Ferb and Phineas: Who are you?

Alexander Hamilton: Alexander. Alexander Hamilton. Aaron Burr's pen pal, although from how weird he's been acting, I think he wants to date me. Aaron Burr started writing to me because he missed you two when he went to high school!

Ferb and Phineas: Awww!

Aaron Burr: You think I want to what-

Alexander Hamilton: It would be my pleasure! You're cuter than you look in your avatar. And hope you can come visit again soon! Every part of New York is your kingdom.

Ferb: What about that place?

Alexander Hamilton: That's Columbia University, you must never go there

Aaron Burr: [at Alexander] Alright, I'll date you–but on one condition.

Alexander Hamilton: What's that?

Aaron Burr: I want you to be friends with Ferb and Phineas

Alexander Hamilton: [turns to Ferb & Phineas] I can raise a glass to that! If you two are open to it, I would love to be your friend.

[Ferb & Phineas look at each other]

Phineas: Any friend of Aaron Burr is a friend of ours. On this Halloween night, we'll find our corner of the sky!

Corner of the Sky!
