
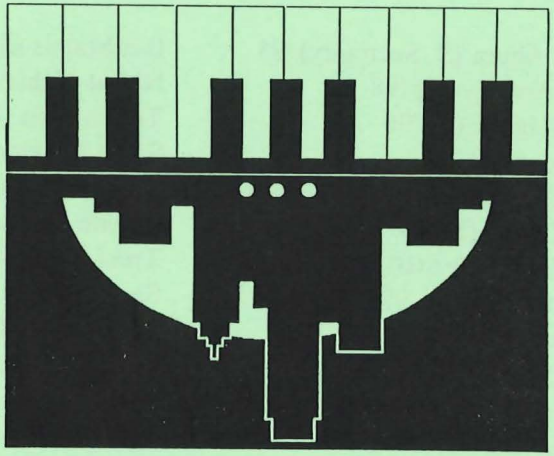
The NOTEABLES

Harvard-Radcliffe's Broadway Beat



December 17, 1994

The Harvard-Radcliffe Noteables was founded in the fall of 1990 in order to provide Harvard undergraduates with a noncompetitive option in the performing arts. We believe that only enthusiasm and dedication are necessary for students to celebrate their love of vocal music. Because of this, our group does not require members to have extensive musical training or experience. Some of the people you see on stage tonight have never been a part of a vocal group before. Others not only perform with us, but with the Glee Club, Collegium, Gilbert and Sullivan, and other musical organizations as well. We all encourage and learn from each other as we go along. Since our founding, our group has grown in number and expanded its repertoire, which consists of songs from musical theater and cinema. As we have doneso, we've had a great deal of fun and found good friends.

We'd like to welcome you to the Noteables' fall 1994 concert. We are very pleased to perform for you tonight and we hope you enjoy the show.
